

Leaving a gift in your will

Creating a will is a beneficial thing to do – it gives you the opportunity to safeguard what is important to you and how you want your assets to be managed. If you do not have a will, you can enquire at your local post office or speak to a lawyer.

Nominating a gift in your will to a charity is a great way of being able to leave a lasting legacy for a cause that you care about. The Stroke Association of Victoria (SAV) welcomes gifts in will – no matter how big or small – to allow us to continue providing support to stroke survivors across Victoria. It is our aim to have eight Stroke Support Centres operating by 2023.

If you are making, or have made, a gift in your will to SAV, we would like to honour you and your generosity in a way that suits you. If you have made a bequest, we would like to discuss this generous gift with you, please contact us via phone on 03 9670 1117 or email at info@strokeassociation.com.au

If you would like to include a gift in your will, we recommend the following wording for your legal advisor's consideration:

"I give free of all taxes and duties:

_____ % of my estate

the residue of my estate (or ___ % of the residue of my estate)

the sum of \$ _____

my units/shares in _____ Trust/Ltd

my real property situated at [insert street address] having the title reference _____

to Stroke Association Victoria Inc, ABN 14524995815

The receipt of the treasurer, secretary or public officer is an absolute discharge to my executor."
